## Summary

ESG professional with Distinction MSc from University of Edinburgh and 3+ years' experience in ESG data collection, validation and analysis, sustainability reporting, auditing, and data management. Proven track record delivering ESG KPIs for 150+ companies using GRI and BRSR frameworks, supporting ESG rating processes, and managing GHG emission calculations (Scope 1, 2, 3). CSRD certified with working knowledge of ESRS standards.

## Education

University of Edinburgh

September 2024 - August 2025

MSc Global Strategy and Sustainability

- Developed **GHG emissions model applying GHG Protocol Corporate and Scope 3 Standards**, demonstrating proficiency in carbon accounting methodology and emissions factor application.
- Produced **strategic Net Zero policy analysis** applying political economy, mission-led innovation, and climate governance frameworks.

Institute of Chartered Accountants of India

2016 - 2021

Chartered Accountant

- Relevant coursework: Risk Management, Financial Reporting, Auditing, Strategic Financial Management.

St Joseph's College of Commerce (SJCC)

2016 - 2019

B. Com International Business

## Work Experience

South of Scotland Enterprise (SOSE)

January 2025 - April 2025

Sustainability Consultant

- Developed **Net Zero transition roadmap for tourism SMEs** involving GHG emission calculations (Scope 1, 2, 3) using GHG Protocol methodology and carbon footprint assessment tools.
- Led primary research and stakeholder engagement with SME leadership, conducting structured interviews to gather data, validate carbon footprints, and assess decarbonization readiness.
- Conducted quantitative data analysis and developed visual performance tracking framework enabling stakeholders to identify priority intervention areas and track decarbonization progress against Scotland's 2045 Net Zero targets.
- Delivered **implementation roadmap and actionable recommendations to SOSE**, demonstrating ability to translate complex ESG data into practical business guidance.

Institutional Investor Advisory Services (IiAS)

May 2023 - March 2024

ESG/ Governance Analyst

- Managed **ESG data collection, validation, and analysis for 150+ listed companies, applying GRI and BRSR frameworks** to deliver data-driven assessments supporting institutional investor decision-making.
- Led **corporate governance assessments for 12 top-100 Indian companies**, evaluating board practices, disclosure quality, and financial controls to produce ratings published in nationally-referenced investor report (Corporate Governance Scorecard).
- Developed and delivered ESG improvement recommendations to client companies, enabling 7 firms to upgrade from BASIC to FAIR ratings through enhanced disclosure practices and data quality improvements.

Balu and Anand Chartered Accountants

April 2024 - August 2024

Audit Manager

- Secured **three new clients** by identifying client needs and proposing tailored solutions, resulting in a 15% expansion of the firm's portfolio.
- Managed six statutory audits with focus on internal controls and data quality assurance, leading project teams of 10 staff and **improving audit delivery efficiency by 20%** through structured quality review processes.

PwC Services LLP

November 2021 - February 2023

Associate SAP FI/CO - Technology consulting

- Supported SAP FI/CO implementation (AP, AR, GL modules) for a pharmaceutical client across France, Italy, and Spain by coordinating testing and collaborating with techno-functional teams to ensure a smooth system migration.
- Delivered **training to 5 cross-functional client teams** and developed user manuals for SAP navigation, reducing adoption time by 50% and minimising post implementation queries.
